Dear Clancy,

Congratulations! It is my pleasure to inform you that you have been admitted to the Henry Clay University Class of 2022. After careful review of your application, we were impressed by your academic achievements, passion, and determination. We are confident that you will be a fantastic fit for HCU's community. We eagerly await your admissions response!

Henry Clay University prides itself on delivering quality academic resources and opportunities to our students. You will join a splendid display of research and creativity, each tuned to a different note, yet a part of the glorious chorus that is our student body. We hope that you decide to join your voice to theirs. As a member of our community, you shall cultivate lifelong friendships, lodestar mentors, and essential connections. We promise that, in only a short time, you will feel a fervent belonging to this campus and a wanderlust to know of all that it offers. HCU distinguishes itself by its vast amount of student led organizations and events. Everyday on campus is another opportunity to explore what our students are capable of.

Following in the quest of our namesake, Speaker of the House and Secretary of State Henry Clay, we seek to pave the way for greater unification and freedom across the frayed boundaries of this world. We desire to be a gleaming lighthouse of knowledge in a sea of trepidation and ignorance. If you decide to join us next Fall, you will take upon yourself that bold and noble task. We look forward to your reply by February 20, 2022.

Sincerely,

George C. Edwards
